KAIKŌURA NEW LIFE

Pastors Note

Ezekiel 37 - The Valley of Dry Bones

Here God has led Ezekiel by His Spirit to a valley of dry bones, bones that were very dry. And the Lord asks him "son of man, can these bones live"?

I wonder what was going through Ezekiel's mind? I know what I might've been thinking. These bones have nothing left on them, they are bare, dry and the Lord is asking, "can these bones live"?

I just love Ezekiel's answer "O Sovereign Lord, you alone know". Ezekiel is acknowledging who God is, His sovereignty, Creator, the only one who knows all things.

Then God said to Ezekiel "Prophecy to these bones", and he did and God caused breath to come upon them, tendons and flesh and they became alive.

This is a word for you today, this week, this year. When things in your life look impossible, bare, dead, God is asking "can these bones live"?

And you have the confidence in our God to be able to say, "My Lord only you know!", then He is asking you to prophesy into your situation and have the confidence that whatever your situation is, He has it.

That's faith, hope and trust all working together and when you have these you have a peace that only comes from a loving Father.
